- ◆ **Hybrid/Blended** (less than 50% online)
- ◆ **Distance Education** (100% online)

Broward's three technical colleges are state-of-the-art, fully accredited, public institutions training the future workforce of the tri-county area. Our 90+ programs provide hands-on training by licensed certified instructors.

"Sheridan was my first step on the road to success. The staff was extremely supportive, from their financial aid, to the various class times, and especially their 'real-life' knowledgeable teachers. The program was challenging, but because of the instructor's creative use of technology, the coursework did not interfere with my busy schedule."

Technology Program*

"After graduating from high school, I was unsure of what career path to take. At McFatter, my program counselor was very patient and guided me through the admissions process. During the course of my studies, I had access to unique opportunities in the healthcare field and feel prepared to enter the job market with confidence and a sense of direction."

*McFatter Technical College
Health Science Program*

"When I started thinking about my career, I wanted to find a respected program that was quick, affordable and provided hands on training. Atlantic provided just that and more! I am proud to say that I received several certificates from Atlantic that have proven to be instrumentally helpful in my career in culinary arts."
